FELICITATION CEREMONY FOR BOARD TOPPERS

The school proudly hosted a felicitation ceremony to honor the outstanding achievements of our Board Toppers of Grade X, XI & XII for the academic year 2024-25. The ceremony was graced by the presence of our esteemed Trustee, Mr. Mahadevan Venkatesh, who warmly congratulated the toppers for their exceptional academic excellence.

The event was a proud moment for both parents and students, as the toppers were felicitated with honors and recognition for their hard work and dedication. The Trustee's words of appreciation and encouragement inspired the students to strive for even greater heights in their future endeavors.

The ceremony was a testament to the school's commitment to nurturing academic excellence and recognizing the achievements of our students. We look forward to many more such milestones and achievements in the years to come.

TESTIMONIALS

JAISREE E
Grade - XII

1st
Place
582/600

I am proud to be the school topper with a score of 582 marks, and I am filled with gratitude for the incredible journey that Shrishti Matric has taken me on. This esteemed institution has not only shaped my values and nurtured my talents but also provided a nurturing environment that has enabled me to flourish academically and personally.

I would like to express my heartfelt appreciation to our Head of Schools, our Principal, Vice-Principal, and the entire faculty for their untiring efforts, guidance and support. The school's extensive coaching program was instrumental in my success, with its rigorous schedule of daily exams and meticulous revision plan. The Cycle Tests and Special exams helped me identify areas for improvement, allowing me to fine-tune my performance. Our teachers' dedication, patience, and encouragement were the driving forces behind my achievement. They provided individual attention, clarified doubts, and motivated me to stay focused. The well-structured schedule and academic environment at Shrishti Matric instilled in me the discipline and confidence needed to excel.

I am deeply grateful to my teachers, parents, and the entire Shrishti family for their unwavering support and trust in me. This achievement is a testament to the school's commitment to nurturing young minds and empowering them to reach their full potential. Thank you, Shrishti Matric, for helping me grow and succeed.

PRITHI M
Grade - XII

581/600

I would like to express my heartfelt gratitude to all those who have contributed to my success. Securing school second with an impressive score of 581/600 is a testament to the unwavering support and guidance I received from my school, teachers, and parents.

I would like to extend my sincerest appreciation to our Head of Schools and Principal for implementing the extensive coaching program that proved to be instrumental in my achievement. The regular Cycle tests and special exams were invaluable in helping me gauge my progress and performance.

The dedication and support of my teachers were truly remarkable. They were always available to clarify my doubts and provided me with the confidence and motivation to excel.

I am grateful to the school management for providing a nurturing environment that fostered academic excellence and allowed me to study with freedom.

MITHUN KUMAR V

Grade – XII

I am thrilled to share that I, Mithun Kumar, have secured the third rank in our school with score of 564 marks. This achievement is a direct result of the consistent support and motivation I received from our Principal, Vice-Principal, and dedicated teachers.

Their tireless efforts, patience, and encouragement played a pivotal role in my success. The extensive coaching, regular tests, and practice sessions helped me grasp complex concepts and build confidence. The individual attention and guidance I received enabled me to improve incrementally and reach my full potential.

I would like to express my heartfelt gratitude to Head of Schools and the Management for fostering a robust academic environment that nurtured my growth. I am proud to be a part of this esteemed institution and grateful for the opportunities I have received.

MAHATHI S

Grade – X

It is my pleasure to express my sincere gratitude to all our management and teachers who made me to top the school with 485 marks out of 500 in the board exam. I want to acknowledge the incredible efforts of the teachers who have shape and guide us to achieve our goal. I thank our Head of Schools and our Principal for implementing the Extensive Coaching Programme which helped us a lot to learn and revise each and every topic thoroughly. Thank you for nurturing our potential and for fostering love for learning in us.

NISANTH M J T

Grade – X

I, Nishanth M J T of X A am happy to share that I got second rank in the school in the board exams with 479 marks out of 500. This success isn't just mine — it's because of the support I received from my teachers and school.

Our teachers worked really hard to guide us, clear our doubts, and encourage us at every step. The school gave us a great environment to study and grow.

I'm truly thankful to all my teachers and the school for their constant support. This result shows how hard work and the right support can make a big difference.

VEEKSHANA REDDY T

Grade – XI

My self Veekshana from 11 A1 stood before you all today to share my journey in this school. My teachers and school management played a vital role in helping me top the school. The guidance and support of my teachers shaped my understanding and boosted my confidence. They made every concept clear and always encouraged me to aim higher. They were always ready to clear my doubts. They also used to give us a lot of tips on time management and studying techniques. The school management ensured we had the best environment and resources to grow. The extensive coaching program also helped me to understand and learn better. Regular tests and other initiatives too were very helpful. The school environment and other facilities like the canteen and big ground etc also gave me a enjoyable time in school. Their encouragement and recognition pushed me to give my best. Finally by Gods grace and all support of my parents and school helped me stay focused, work hard, and finally top the school. I'm truly grateful to God for all this and my school for making this happen.

570/600**

I am Sathya Sri from Grade 11 A3, and I am delighted to share that I have secured second place with score of 570 marks. This achievement is a direct result of the exceptional support and guidance provided by my teachers. Their encouragement, expertise, and dedication played a vital role in my success.

I would also like to extend my gratitude to the school management, our Head of Schools, Principal and Vice Principal for creating a comfortable and nurturing environment that allowed me to excel. My teachers were always available to help, providing timely guidance and correcting my mistakes with patience. What I cherish most is the extra effort they put in to inspire us, sharing wonderful thoughts beyond academics, and taking a genuine interest in our future aspirations.

VITIKA M

Grade – XI

I am Vitika, and I am delighted to share that I have secured third position in Class 11 with a score of 562. This achievement is a testament to the tireless efforts and dedication of my teachers, who have been instrumental in my success. Their guidance, motivation, and encouragement played an important role in helping me excel in my exams.

I would also like to express my gratitude to the Principal and the Vice Principal for conducting daily tests, which instilled in me a sense of discipline and consistency. These tests helped me gauge my progress, identify areas for improvement, and stay focused on my goals.

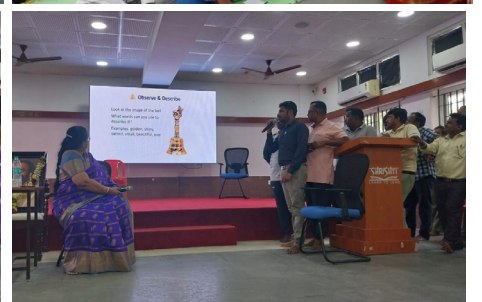

I extend my heartfelt thanks to my teachers and the school management for their unwavering support and guidance. Their collective efforts have enabled me to achieve this milestone, and I am truly grateful for their contribution to my success.

SHRADDHA

Faculty Orientation programme

Our Head of Schools Mr. M. S. Saravanan, conducted an insightful orientation programme on “Strengthening Parent-School Collaboration” on May 27, 2025.

SHRADDHA programme was conducted for teachers from 28.05.25 to 31.05.25. Ms. Gayathri, Principal of SSRVM, Bangalore South, was the Resource person and shared her expertise. The four-day programme proved to be a rejuvenating experience, empowering our teachers to begin the new academic year with renewed enthusiasm and vigor.

Strategies for Excellence

To score centum (100%) in Computer Science, focus on thoroughly understanding the syllabus, practicing coding regularly, and mastering key concepts like algorithms, data structures, and programming languages. Develop a study plan, solve previous years' question papers, and take mock tests to assess your knowledge. Stay updated with the latest trends and technologies in the field, and don't hesitate to seek help when needed. With consistent effort, dedication, and a clear understanding of the subject, achieving centum in Computer Science is definitely possible.

- Mr. Senthil Kumar
Dept. of Computer Science

How to Get Centum in Mathematics

Nowadays, many students feel that mathematics is a complicated subject. However, the truth is, math is a lovely and easy subject if you approach it with the right mindset. If you believe that math is easy and enjoyable, you will perform well and score excellent marks in your exams. Let's discuss some key strategies to excel in mathematics and aim for centum.

1. Believe in Yourself

The first and most important step is to have confidence in your abilities. Always think positively and trust that you can solve any problem with effort and practice. Remember, belief in yourself is the foundation for success.

2. Understand the Concepts

Before solving problems, focus on understanding the basic concepts. Ask yourself:

Why is this formula used?

What is its application?

How does this concept relate to real-life situations?

When you know the "why" behind a formula, solving problems becomes easier and more enjoyable.

3. Practice Regularly

Mathematics requires consistent practice. Allocate time every day to solve problems. While learning new concepts, also revisit previous ones to ensure they remain fresh in your mind. Regular practice will build your confidence and improve your accuracy.

4. Focus on Objective Questions

Give special attention to objective-type questions, as they often test your understanding of basic concepts. Objective questions also help you prepare for competitive exams and improve your problem-solving speed.

5. Seek Help When Needed

If you face any doubts while solving problems, don't hesitate to approach your math teachers immediately. Clearing doubts as soon as they arise will help you stay on track and avoid confusion.

6. Manage Your Time

Time management is crucial in math exams. Practice solving problems within a set time frame to improve speed and accuracy. Ensure you complete your paper on time during exams. Allocate the last 15-30 minutes to review your work. Efficient time management will help you perform better.

7. Review Your Answers

After solving all the questions, review your answers thoroughly. Start from the first page and go through each question to ensure accuracy. Avoid skipping pages while checking to catch any mistakes. Alternatively, some students find it helpful to review from the back page to the first page, as it helps identify minor errors. Also, always use rough work at the bottom of the paper to verify calculations instead of relying solely on mental calculations. This habit reduces errors and increases accuracy.

8. Enjoy the Process

Lastly, enjoy the process of learning math. Treat each problem like a puzzle waiting to

be solved. When you approach math with interest and curiosity, it becomes fun and rewarding.

By following these steps, you can overcome your fear of mathematics and aim for centum in your exams. Remember, math is not just about numbers; it's about logic, reasoning, and creativity. Believe in yourself, work hard, and success will follow!
